Language Taster Workshops

Our Language Taster workshops introduce students to a language, covering very basic vocabulary and grammar as well as associated cultural aspects, such as history and the arts. Typically, Language Tasters have a duration of 90 minutes. Teaching will be in English. They are suitable for any students who have an interest in languages and want to know more about how languages work or would like to 'try out' a language that they have always wanted to study. Provisional Language Tasters for 2021-2022 are planned for our main languages French, German, Italian, Japanese and Spanish, as well as languages we do not currently teach, e.g., Arabic, Farsi, Basque and Scottish Gaelic. **Please book on the [LanguagED Eventbrite](#) page.**

Language Classes (10 weeks)

Our 10-week structured language classes provide the opportunity to learn a language starting at absolute beginners' level (Basic 1), progressing to Basic 2, to Independent 1 and then Independent 2 level. Depending on your chosen language, there are three or six blocks of 10-week classes (A, B C, D, E, and Review) to complete to finish each language level. Languages with a Latin script have three blocks per level. Languages with a non-Latin script, i.e., Japanese, have the extended six block structure. At the end of each level, you will get a *Certificate of Completion*, specifying what language you have learned and detailing the skills you have developed. **Please book and pay on our [LBU Online Store](#).**
